Jose,

To follow up on your interest in the TexCom Gulf Disposal, LLC project (proposed wells WDW410, WDW411, WDW412 and WDW413), this note is to let you know that the administrative law judges have issued their Proposals for Decision (PFD) recommending granting the permits with special provisions. Please refer to the attached files which are the PFD and cover letter.

The decision on whether to grant the permits will be made by the TCEQ commissioners at a regularly-scheduled TCEQ commissioner's agenda meeting. The date of this meeting has not yet been set.

Please note my new email address; TCEQ has changed my name in the email system from Hoffman to Flegal. Thank you . . .
